margin calculator

45% = plate cost x 214%
 50% = plate cost x 235%
 55% = plate cost x 261%
 60% = plate cost x 294%
 65% = plate cost x 336%
 70% = plate cost x 392%
 75% = plate cost x 470%

example: Costs: Fillet Steak = aed24.10
 Potatoes = aed4.50
 Vegetables = aed2.60

Total Cost = aed31.20

To make 50% margin the calculation is as follows

aed31.20 x 235% = aed73.30 (Selling price)

cash profit calculator

Cash Profit Margin = Selling Price (Ex. VAT) – Plate Cost

% Profit Margin = [Cash Profit Margin / Selling Price (ex. VAT)] * 100

example: Selling Price: aed99.50 (ex. VAT)
 Cost: aed41.00

Cash Profit Margin = aed99.50 - aed41.00 = aed58.50

example:

[aed58.50 / aed99.50] * 100 = 59%

Fresh fish from Brittany & the French Coast

Our buyers in Paris are able to tap into the riches of the French coasts and within 24 hours have product ready to ship to Dubai; small day boats are our preferred choice of fishing and we try to avoid large trawls and unsustainable fishing practices.

Highland smoked salmon Scotland

Highland Smoked Salmon is located at the western end of the Great Glen at the foot of Ben Nevis; outside the historic town of Fort William. They have been Producers of the Finest Smoked Salmon since 1983. Highland Smoked Salmon has made major investment in new smoking kilns, filleting, slicing and packaging technologies to deliver traditional naturally smoked products produced from the burning of Oak and Beech Logs.

*Like a great wine,
Le Noir de Bigorre
should be served at
room temperature.*

LE NOIR DE BIGORRE

The minimum 18 months of drying allows enough time for all its aromas to develop: a deep, intense and long lasting taste. Its flesh is finely marbled and slightly sparkling which is a sign of melting texture. Minimum 18 months of drying.

TROCKENER SCHINKEN "LE NOIR DE BIGORRE"

Mindestens 18 Monate gereift, wodurch er die Zeit hat, sein ganzes Aromapotenzial aufzubauen und zu entfalten: kräftiger Geschmack und lang anhaltend im Mund. Das mit etwas Petersilie gewürzte, leichte glänzende Fleisch ist ein Zeichen für eine zarte Textur. MINDESTENS / 18 Monate gereift.

Wie ein großer Wein wird der "Noir de Bigorre" bei Zimmertemperatur genossen.

JAMÓN CURADO "LE NOIR" DE BIGORRA

Un mínimo de 18 meses de curación brinda el tiempo necesario para que todo su potencial aromático se desarrolle: sabor potente y prolongado al paladar. Su carne finamente especiada con perejil y ligeramente brillante es señal de una textura tierna. CURACIÓN MÍNIMA / 18 meses.

Al igual que un buen vino, el "Noir de Bigorre" se degusta a temperatura ambiente.

3679 - SAVOIE DRY HAM

The gentle salting of this ham provides a soft and melting texture after 9 months of drying. Minimum 9 months of drying.

3505 - SAVOIE DRY HAM MELLI

Full flavoured, well matured product. Gentle salting for unique aroma and taste. Original Savoie cross signature. Minimum 7 months of drying.

3679 - TROCKENER SCHINKEN AUS SAVOYEN

Dieser hochwertige trockene Schinken ist leicht gesalzen, was nach 9 Monaten Reifezeit ein weiches und zartes Fleisch ergibt. MINDESTENS / 9 Monate gereift.

3505 - TROCKENER SCHINKEN AUS SAVOYEN MELLI

Geschmackvolles Produkt, bis ins Herz gereift, leicht gesalzen, so dass sich ein einzigartiges Aroma und ein würziges Geschmack entfalten können. Mit dem Kreuz aus Savoyen ausgezeichnet. MINDESTENS / 7 Monate gereift.

Vom Schwein mit Herkunftsachats (Region Rhône-Alpes), dann verarbeitet und an der Luft der Haute-Savoie gereift.

3679 - JAMÓN CURADO DE SABOYA

Este jamón curado superior se beneficia de un salazón suave que brinda, después de 9 meses, una carne tierna y fundente. CURACIÓN MÍNIMA / 9 meses.

3505 - JAMÓN CURADO DE SABOYA MELLI

Producto sabroso, excelentemente curado. Salazón suave para un aroma y sabor únicos. Marcado con la Cruz de Saboya. CURACIÓN MÍNIMA / 7 meses.

Procedente de cerdos con denominación de origen controlado (región Rhône-Alpes), y seguidamente procesado y curado al clima natural de la Alta Saboya.

Burgundy escargots

The production site located in Haut Doubs (Franche Comté). From a traditional home-made cannery business, the company became a pioneer in the marketing of frozen prepared snails in the 1970s and chilled snails in the 1990s. Modernized, structured and IFS certified, “wild” snails, collected in natural and healthy environments.

Spanish olive oils & vinegars - Omed Acula

In O-Med we try to combine our passion for extra virgin olive oil with the work, experience and traditions of our father Juan de Dios so as not to forget the families roots of the company. At O-Med we control all aspects of the production process from the harvest to bottling in the knowledge that this is the only way to guarantee our consumer the ultimate in quality. They are very early harvested olives, rich in aromas and complex flavours.

Tradissimo

A selection of natural ingredients designed to decorate or garnish, to help create more attractive recipes. On the one hand, we find ingredients that are already known but difficult to find in small sizes; on the other, we seek highly innovative ingredients, ones that are practically unique and used only by cutting-edge food industries right now. All of these goods are grouped into 4 families: fruits, vegetables, textures & flavours, and decorations.
